

Santa Rosa Quilt Guild
November 2019 Block of the Month-Scrappy Holiday
Due December 5, 2019

1. Pull red, green, white, holiday fabrics from your stash. You will be cutting strips 1" to 3" wide to place on foundation.
2. Cut foundation paper 9.5" square
3. Put first strip **face up** diagonally at center of foundation.
4. Sew 2nd strip to the first strip **right sides together**, press open. Keep adding strips until you reach the corner.
5. Repeat, sewing strips to other side of foundation.
6. Square block to 9.5"
7. Remove foundation paper.

What a great way to use scraps! These blocks would make a lovely holiday table runner or quilt.

Make several to share with your fellow quilters.

HAPPY HOLIDAYS!
