Block of the Month

Due June 7, 2018

"M" is for Majesty

The Majesty BOM is made with 3 contrasting shades of Ultra Violet or Purple, dark, medium and light (prints or solids). A full explanation of the meaning of the color Ultra Violet and Purple is in our May newsletter. Selecting either one of these colors expresses your own inner beauty. Enjoy!

Block is 9 ½" unfinished.

Cut the following:

- Dark Ultra Violet or Purple: Cut 1 – 2" x 21" strip
- Medium Ultra Violet or Purple: Cut 1 – 2" x 21" strip
- Light Ultra Violet or Purple: Cut 1 – 2" x 21" strip

Sewing:

Sew all 3 strips together in the dark/medium/light sequence using ¼" seams. Press seams to darker fabric. Cut 4 – 5" sections. Following example, sew 2 sections together, creating an "L" with the dark fabric. Sew remaining 2 sections together, again creating an "L" with the dark fabric. Sew perpendicular units together ensuring 1 "L" is facing up and 1 "L" is facing down in center of block. Press final seams to one side. Congratulations!
