Block Name: 'No-Name' Mystery
Finished Size: 12" square

Fabric A: Background, Black
 one square, 4-1/2" x 4-1/2"
 four rectangles, 2-1/2" x 4-1/2"
 12 squares, 2-1/2" x 2-1/2"

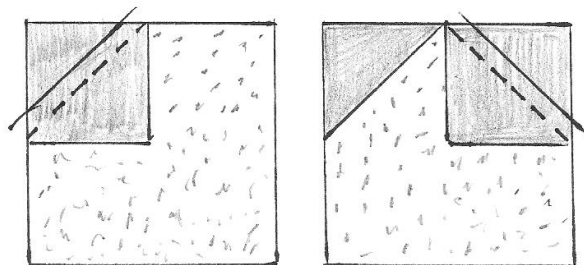

Fabric B: White
 four squares, 2-1/2" x 2-1/2"

Fabric C: White with black markings
 four squares, 4-1/2" x 4-1/2"

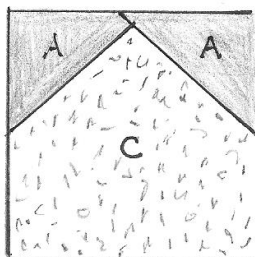

To make a corner unit, stitch a white 2-1/2" square to a black 2-1/2" square. Press toward the white. Sew a black rectangle to the long side creating a 4-1/2" corner unit. Again, press toward the white. Repeat to make four corner units. Measure to be sure they are 4-1/2" square.

To make a "fat goose" unit, place a black 2-1/2" square on the upper right corner of the 'white fabric with black markings' 4-1/2" square. Draw a line from the upper left corner to the lower right corner, and stitch on the line. Leaving a 1/4" seam, trim the excess, fold the black corner out, and press. Attach the opposite corner. Again, press and measure. Repeat to make four fat goose units. Check to be sure they are 4-1/2" square.

Following the diagram, join the units together to create three horizontal rows. Press the middle row seams toward the outside. Press the upper and lower rows seams toward the inside. Join the three rows together to create:

12-1/2" unfinished
