

## Beach Birds from *Scrap Lap Quilts* for Gale Davis

Initiated November 2012

Gale is planning a quilt with 3 sizes of this very cute block: 12", 9" and 6" finished. Background fabric is light to medium blue-green or aqua. The bird is black, brown, grey, or taupe prints that are fairly realistic, and have good contrast with background.

**Fabric- Please prewash all fabrics.**

### Foundation Paper Piecing

You may download the pattern from our website in any of the three size blocks. Note: the 12" block must be printed on legal size paper (14") - and make sure you do not have the "fit to paper" box checked, or it will print distorted. Note: If you don't have legal size paper, contact Phyllis and she will mail you the pattern.

***Make 2 of the 6" blocks, or make 1 of the 9" or 12" blocks.***

Legend for the paper piecing:

A2 = bird head

A4 = bird body

B2 = bird legs

All other pieces are background.
