

Things of Sonoma County for Judy Kubilus

Introduced January 2013

Judy loves Sonoma County and would love to have blocks with “your” view of Sonoma County/its cities. She would like blocks that finish at 6" or 9" or 12" square (your choice.)

Fabric:

Cotton for background.

No need to pre-wash fabric.

Note: Judy would love to have scraps from your block, to incorporate into the borders.

Technique: totally up to you!

Embellishments: as you see fit!

Let your creative juices flow!

Don't forget - we'd like to have the block timely!
