

Sunbonnet Sue Steps Out for Pam Beebe

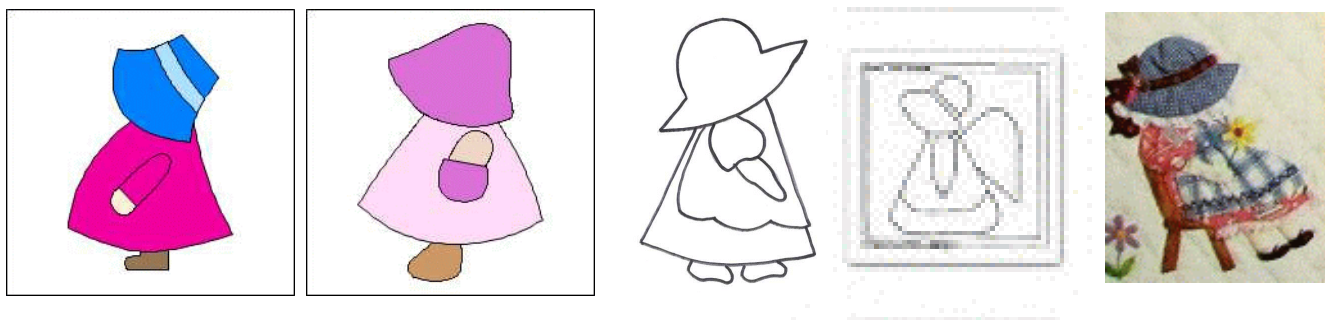

Initiated December 2012

Pam would love to have a dozen blocks with your choice of Sunbonnet Sue design, along the theme of "Sunbonnet Sue Steps Out" - which you may interpret in your own fashion. She would prefer the more traditional Sunbonnet Sues, rather than Sunbonnet Babies, Sunbonnet Ladies, or Sunbonnet Cats.

Block Size: 8" finished, 8-1/2" unfinished

Note from Phyllis: I would start with 9" square and trim to 8-1/2" size after applique/embellish.

Theme: Sunbonnet Sue Steps Out

These images are for inspiration only.

Fabric: not necessary to pre-wash.

Background: white on white

Sue: any colors

Technique: Any applique technique

Embellish: Love embellishments!

Pattern: Design your own or find one in our library to serve as your inspiration. Mix and match dresses, aprons, sleeves, hats, etc. Sue may "face" to the right or to the left, your choice.

NOTE: please contain your design and embellishments within the center 8" of the block

If you find a pattern you like that is not the correct size, contact Phyllis for assistance in changing the size.

Remember, friendship blocks have a soft deadline of approximately 1 month after you sign up.
