

Heart Block for Sharon Fry

Initiated December 2012

Shortly, Christmas will be over, and you might be twiddling your thumbs wondering what to do next. Sharon would love to help you out! She would love to have a block from you by Thursday, January 17, 2013, so she can have it ready for Valentine's day.

Fabric- Please prewash all fabrics.

Design: Heart motif - anything upbeat, sweet, humorous, fun, funny, LOVING, LOVELY - from a pattern or your original design. These are just for inspiration:

Technique: anything your "heart" desires (applique, foundation pieced, pieced.....)

Size: finishing somewhere between 6" and 12", square or rectangular

Fabric: 100% cotton - and **PLEASE pre-wash** in consideration of Sharon's allergies.

Colors: Those hearts should be predominately red, but a bit of pink, black, and/or white in the fabric design is fine. It would be nice if the background were white, white on white, white with little red hearts (or other little red designs, just so that it "reads" white for a good contrast to the red.) If you have some extra scraps of red fabrics from your block, or just in your way, you could include them for her pieced border.

Embellishment: The more the merrier! Buttons, embroidery, whatever. Or, if you are a Plain Jane, that's just fine, too!

Please, sign the front of your block or attach a piece of paper with your name on it, so Sharon will know who to thank! (And so Phyllis can keep track of your Friendship Block credits!)

Due Date: Firm due date is Speaker Meeting on January 17! Although this is quick, we all know that we don't usually work on the block until the night before... If you can't make it to the meeting, please mail to Sharon Fry, 2344 Thornsberry Road, Sonoma, CA 95476 (and Sharon will take a photo for Phyllis and the web page.)

Note from Sharon: "I am really looking forward to receiving these *Valentines* from all of you!
