

This block is an attic windows block that does not require a Y-seam. All fabric is provided, and pre-cut.

Follow the image in assembling this block:

Step 1

Sew the turquoise rectangle to the left side of the monsters square to form row 1. Press to turquoise.

Note: The monsters fabric is directional - keep them on their feet, please.

Step 2

Then sew the small turquoise fabric to the orange rectangle to form the bottom row - make sure the triangle is on the left side, and that the diagonal seam goes from lower left to upper right. Press seam to orange.

Step 3

Sew these two rows together. Press seam to orange.

Please return completed block in a timely fashion, as all are need to make the quilt top.
