

“Hands and Hearts” for Rhonda Denny

Initiated March 2014

“our hands are instruments of love”

Rhonda’s request is for 9” or 12” blocks, which she will trim to size. She would like her peeps to trace dominant hand in batiks or a random misfit quilt block, on a complimentary pastel background, and place a heart anywhere on the block in the fabric of your choice. (You may even use a grandchild’s hand.)

She is looking for all types of hands, and even gloves that can be manipulated into sign language such as “I love you” and “peace.” She will try and make one into a turkey (like she did in grammar school) and put a lace overlay on another.

Please sign in permanent ink across the wrist.

Let’s get creative!

Please return completed block in a timely fashion.
