

Julie's Sahf's Friendship Block – February, 2018
Due Date – April 19, 2019

For my Friendship Quilts, the theme will be the colors blue and yellow. My inspiration comes from my new home. It's a little slice of paradise in the mountains of Lake County. The home has a beautiful, open floor plan with picture windows overlooking both mountains and valley. The main living area is French provincial in hues of blues and yellows.

I would like pieced blocks of all different sizes using the provided fabrics. They can be machine pieced, hand pieced, or paper pieced. The blocks can be varying size blocks from 6" to 12" finished. Please, no appliqué or embellishing. Sign the blocks on the seam allowance on the back of the block.

Have fun and thanks.
