Fabric: Keep in mind that you will be creating practice LeMoyne Star blocks. We will not be making a project with these blocks. You will start by drafting a basic LeMoyne Star, and then piece a 12" as well as a 6" star block. **Please do not bring batiks** to this class.

1/2 yard of two coordinating fabrics for star points

1/2 yard background

Note about supplies – if you don't have the items on the list, know that we have all of them in the store. Save time and gas and get your supplies at the first class if necessary. We appreciate your supporting our business!
