Then sew each of these strips together. Repeat for the other side.

Sew strips F to the top of each unit and sew strips G to the bottom of each unit.

With right sides together, sew strip A to the left side of the unit above and then sew the other side of strip A to the right side of the unit.

Square the block to 12.5 inches by 12.5 inches.

Remember to put your name on a seam on the back side of the block. If there is no name on your block, then I cannot complete a ticket for the drawing!
